# PETRONAS Twin Towers

The World's Tallest Twin Skyscrapers

Take a journey to the PETRONAS Twin Towers, the tallest twin structures in the world! At a height of 452 metres and 88-stories high, the twin towers are an iconic Malaysian landmark and a masterpiece of modern architecture which cleverly blends Eastern and Western aesthetics in design, bringing you an epic marvel of steel and glass that will leave you captivated.

Indulge in a host of attractions connected to the towers, from Suria KLCC shopping complex to Petrosains, The Discovery Centre® and the Dewan Filharmonik PETRONAS.

### < Chats

#### Skybridge

This double-decker Skybridge at Levels 41 and 42 is one of the towers' major draws as it offers amazing views of the city and allow tenants of the building to cross from one tower to another.

10:28 AM

#### Observation Deck

Set on Level 86, the Observation Deck gives a breathtaking view of the city, a look at the tower's spire, and comes equipped with visual displays and vibrant exhibits to tell the story of the towers.

#### Visiting Hours:

11.00am - 4.00pm, Tue - Fri  
(Last admission at 3.40pm)  
10.00am - 6.00pm, Sat, Sun,  
Public Holidays & School Holidays  
(Except those that fall on Monday)  
(Last admission at 5.40pm)  
(Closed on Mondays)
